

Dr Santitarn Sathirathai is the Group Chief Economist of Sea Group, one of the leading tech companies in ASEAN and Taiwan that owns Garena, Shopee and Airpay.

Prior to joining Sea, Santitarn was the Head of Emerging Asia Economics Research at Credit Suisse where he managed a team covering 10 Asian economies. He was the only economist in Asia to have won the prestigious best economic forecaster award by Consensus Economics for three consecutive years.

Santitarn was selected as one of Asia's 21 young leaders in 2017 by Asia Society. He is also a visiting lecturer at Faculty of Economics of Chulalongkorn University. Previously, he also worked at the Ministry of Finance of Thailand, and the Government of Singapore Investment Corporation.

Santitarn holds a doctorate degree in Public Policy and a master's degree in Public Administration from Harvard University, as well as a bachelor's degree in Economics and a master's degree in Public Policy from the London School of Economics and Political Science.
